ADVISORY #9

WEAK CATEGORY 1 HURRICANE NANA APPROACHING LAND **BELIZE REMAIN UNDER A HURRICANE WARNING**

WEDNESDAY, 2ND SEPTEMBER, 2020 as at 9:30 PM

The National Meteorological Services of Belize and the National Emergency Management Organization (NEMO) advise that as of 9 pm local time, Hurricane Nana was located near latitude 17.0N, longitude 87.5W or about 48 miles East of Dangriga Town and 60 miles Southeast of Belize City. This position is also about 70 miles Southeast of San Pedro Ambergris Caye, 113 miles Southeast of Corozal Town, and 107 miles East-Northeast of Punta Gorda Town. Nana was moving to the west at 16mph with maximum sustained winds of 75mph and minimum central pressure of 994mb. Nana is forecast to move west to west-southwest and is expected to make landfall along coastal Stann Creek District after midnight tonight. Residents especially those southward of Belize City should be prepared for hurricane force winds of 75 with higher gusts. This system could also produce rainfall of 4-8 inches with isolated amounts of 10 inches over southern and central Belize which could lead to flash flooding and possible landslides.

Residents along coastal areas near the area of landfall should be on the alert for the possibility of a storm surge of up to 2-4 feet. The NMS of Belize will continue to monitor the system and update NEMO and the general public accordingly. The path of the now better defined forecasted track of Weak Category 1 Hurricane so we can expect to experience strong winds in the next 2 to 4 hours. All are asked to stay indoors as rainfall and wind effects are being felt in the Stann Creek District and other parts of the country. Stay indoors, remain in your shelter.

Shelters are open around the country, **please see list attached.** The number of people in shelter are 1072 total broken down as follows Owk:9, BZC:188, SP: 47, CYO:77, DANG: 314, BMP Surr villages: 82, and TOL: 255. All shelterees must keep on their masks, practice social distance, clean their hands regularly and practice good cough and sneeze etiquette. **COVID 19 SHELTER PROTOCOLS AND NEMO CONTACT INFORMATION: SEE ATTACHMENT.**

Stay tuned for and adhere to the official release from NEMO and the National Met Service and stay alert. All who needed to relocate or are in a shelter should now be hunkering down and weathering the storm. COVID 19 curfew is still in effect.

...Ends....

COVID 19 SHELTER PROTOCOLS

All persons in high-risk coastal areas are reminded IF the need arises for you to evacuate and you are (1) not COVID positive, (2) not in quarantine, (3) not awaiting a test result or (4) being contact traced, and (5) not showing symptoms, move early! You must wear a mask. Know which shelter you will go to, take along your essential necessities required for you to survive. The elderly and persons with underlying health conditions must not occupy the same space with normal persons. Note, people showing symptoms will be contained in a separate section of the shelter building. Hand washing /sanitizing must be done before entering a shelter. Shelter Wardens will allocate shelter space. Social distance must be adhered to and shelters must be sanitized on a regular basis. Garbage must be properly disposed of. Proper cleaning and disinfection must be done on a regular basis. Shelter Managers must monitor and correct hygiene and cough /sneeze etiquette. The Ministry of Health (MoH) will conduct daily monitoring of shelters to detect people who are sick and showing signs of COVID19. The Shelter Management Team (Public Officers/ Volunteers) MUST use PPE.

PREPAREDNESS TIPS BEFORE A STORM ARRIVAL:

(1) Avoid being near the coast if your home is not safe if you live on the cayes and along the coast be familiar with the evacuation routes. Know which shelter you will need to go to.

(2) protect windows with plywood or shutters,

(3) review your family emergency plan, consider all COVID 19 measures,

(4) if you can afford to purchase non-perishable foods and water.

(5) Keep an extra supply of medication. If a member of your household is bed-ridden, seek medical advice. Notify authorities ahead of time if you have persons in your neighbourhood require special assistance to evacuate due to a medical condition.

(6) Secure your important documents and identification. Save the emergency contact numbers for NEMO, the police, fire, and medical facility in your cell phone.

(7) Pets are not allowed in shelters, make plans for your pets, continue to trim trees, clear drains, and secure outdoor items. Farmers make plans to move your animals to higher ground and stockpile feed when required.
