Statement from the Ministry of Foreign Affairs, Foreign Trade and Immigration

Belmopan. January 7, 2021. 7:50 a.m.

The Government of Belize condemns the brazen attempt to interrupt the constitutional order in the United States of America which occurred on January 6, 2021.

The Government calls on the authorities to ensure a peaceful and lawful transfer of power as constitutionally mandated and which reflects the will of the people freely expressed in free and fair elections.

Belize welcomes the Biden-Harris Administration and looks forward to a continued strong and constructive working relationship with the United States of America.
