Minister of Public Utilities and Logistics Meets with Belize Bus Association

Belmopan. January 8, 2021. 10:00 a.m.

Today, the Hon. Rodwell Ferguson, Minister of Public Utilities and Logistics, met with Mr. Thomas Shaw, President of the Belize Bus Association, and members of the Association.

The meeting focused on the plans for the Belize transport industry and ways through which the Ministry could better support the Association. Minister Ferguson took the opportunity to share the upcoming plans aimed at enhancing the work of the Transport Department in the coming months. Accompanying the Minister was Mr. Marconi Leal, Chief Executive Officer in the Ministry, who provided updates on the projects in the pipeline which are expected to improve the industry and support bus operators.

The Association highlighted areas of concern currently faced by bus operators. Minister Ferguson pledged his support in addressing the issues while stressing the importance of maintaining open dialogue going forward.

Also, in attendance was Mr. Peter Williams, Traffic Officer.
