## PRESS RELEASE

### **Launch Date to be Announced for Digital COVID-19 Vaccination App**

*Belmopan. October 11, 2021. 3:05 p.m.*

The Ministry of Health & Wellness is aware of commentary on social media pertaining to the launch of a digital vaccination app. The information shared in that forum is unofficial and was leaked by persons at the ministry.

The application is still in the trial phase and details for the launch of the Government of Belize digital COVID-19 vaccination app will be officially announced.

The ministry continues to encourage the public and the media to contact its Communications Unit to verify any information that is in circulation.

**Ends**
