PRESS RELEASE

Change in Pump Price of Regular Gasoline Effective September 29, 2020

Belmopan. September 28, 2020. 3:30 p.m.

The Ministry of Finance announces that effective Tuesday, September 29th, 2020, the pump price for regular gasoline will decrease by 28 cents from \$8.89 to \$8.61 per gallon.

The prices for premium gasoline, kerosene and diesel will remain unchanged at \$9.36, \$5.43, and \$8.40 per gallon, respectively.

These price changes reflect current demand and supply conditions of crude oil in the international petroleum market and fluctuations in the acquisition price of refined fuel products in the countries from which Belize obtains its supplies.

The Government of Belize is monitoring the price movements and supply conditions closely and will work with the fuel industry to safeguard the pump prices paid by Belizean consumers.
