PRESS RELEASE

Change in the Pump Price of Regular Gasoline

Belmopan. October 8, 2021. 2:55 p.m.

The Ministry of Finance announces that effective Saturday, October 9, 2021, the pump price of regular gasoline will increase by 11 cents from \$11.38 to \$11.49 per gallon.

The prices for premium gasoline, kerosene and diesel will remain unchanged at \$11.76, \$7.64, and \$10.34 per gallon, respectively.

The price change reflects the current demand and supply conditions of crude oil in the international petroleum market and fluctuations in the acquisition price of refined fuel products in the countries from which Belize obtains its supplies.

The Government of Belize is monitoring the price movements and supply conditions closely and will work with the fuel industry to safeguard the pump prices paid by Belizean consumers.
